PRINCIPAL'S REPORT

Dear Parents and Carers,

Thank you to all our K-2 parents who came along to our afternoon tea on Thursday. It was so great to catch up with everyone and the children enjoyed the extra play time with younger siblings.

Please remember to clearly label all student jackets. As the cold weather is well and truly upon us, we want to be able to return jackets as quickly as possible. A reminder that a school hat is needed each day for outdoor play.

Peer Support

Our Year 6 students and their Year 5 assistants deserve to be commended for their leadership of peer support groups. The topic this year is around relationships, what makes a good friend and how to maintain friendships. It is very powerful when the messages come from a respected older peer. Well done!

Term 3 Busy Busy Busy !

Term 3 is a busy time at school with 'Annie' the musical at Galston High School, Education Week, Book Week, Year 4 to 6 camp to Katoomba, Hill End and Bathurst, Year 3 to 6 PSSA Friday sport and the Small Schools combined Athletics carnival just to name a few happenings! It can also be found on our school website along with notes and information on school events. Mrs Postill does an amazing job

in keeping everyone informed – we are very fortunate.

Band Performance

Well done to Arcadia School Band who held a short performance on Thursday. They sounded fantastic and I know Miss Burke was very proud of all students.

Little Free library

Our little free library is up and running and located just outside the sandpit. This is a free book exchange. It belongs to everyone, and everyone can use it. If your child sees a book they would like to read, they may take it. Students can keep or return the book once they have finished. Students may also like to bring in books to share with others. Thanks again to Kenthurst Men's Shed for building us this great resource.

PRINCIPALS REPORT (Cont.)

Fresh Produce Cart

Our gardening club have been working hard caring for our veggie patches. Harvest time has arrived and fresh produce will be on sale at the side (Community Hall) gate each Friday. We will have fresh herbs, vegetables, citrus fruits and eggs available. Year 3/4 have done a wonderful job designing and printing stickers for our produce.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019). Information provided about students to the Australian Government for the NCCD includes:

- ◆ year of schooling
- ◆ category of disability: physical, cognitive, sensory or social/emotional
- ◆ level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- ◆ formally recognise the supports and

adjustments provided to students with disability in schools

- ◆ consider how they can strengthen the support of students with disability in schools
- ◆ develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability. The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability. The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy <https://www.education.gov.au/privacy-policy>

Further information about the NCCD can be found on the NCCD Portal <https://www.nccd.edu.au> If you have any questions about the NCCD, please contact the school.

Have a lovely and relaxing weekend,

Nicole Pattison - Principal
